

HTML GUIDE

This guide will most likely take you 1.5 hours I understand that you may not be able to complete this in one sitting. You do not need to download sublime text. Please become familiar with the basic use of HTML as it will become useful as you progress in your blogging business.

When you are finished please complete the exercise below the video.

HTML Course: <https://www.youtube.com/watch?v=UB1O30fR-EE>

Complete Exercises 1-5:
